

Mayor Ray Gormley spoke about the condition of the roof at the community center.

Committeeman Dave Schlick asked if there are monies left over from the last round two years ago.

Township Engineer Jim Oris believes those monies are earmarked for drainage in the DTN.

Deputy Mayor Barbara Jo Crea reiterated Mayor Gormley's comments on the community center.

Committeeman Dave Schlick made some suggestions regarding the community center and asked if the funds are not used does the township lose them.

Township Engineer Jim Oris stated yes the town would lose the monies and explained the impact it would have on additional monies in the future.
