

## **E-WASTE RECYCLING PROGRAM**

**Effective immediately**, there will be a **major change** in our E-Waste Recycling Program in the Township of Little Egg Harbor. As of October 29, 2015, we will no longer be able to accept televisions, computers and electronics from our residents at our recycling center. The new regulations for disposing of E-Waste have changed and we have lost our vendor, Log Tech, which was taking our E-Waste at no charge. Residents can take COMPUTERS, MONITORS, HARD DRIVES & TV'S ONLY to the Ocean County Recycling Center on 379 Haywood Road, Manahawkin.

We will continue our efforts in an attempt to get help from the Department of Environmental Protection and any other resources available. This program has been a huge success, and we will make every effort to continue it in the future.

Sorry for any inconvenience this will bring to our residents. We will keep everyone informed of any changes in the months to come. Should you have any questions, please do not hesitate to contact the Department of Public Works at 609-296-3600.
