

# LEHT ENERGY AGGREGATION PROGRAM

## COMMUNITY AGGREGATION

is very different than other third party supply contracts and offers protections to you that individual contracts may not offer, such as no penalties or fees to opt out, the ability to opt out at any time and a fixed (non-variable) rate.

## ATTENTION SOLAR PANEL CUSTOMERS

Please be advised that if you wish to join the Little Egg Harbor Township Energy Aggregation Program, you may opt in at any time by calling TriEagle Energy at the following phone number – **877.933.2453**.

The Program provides a reduced rate of **\$0.09851/kWh** compared to ACE's average Price to Compare rate of \$ 0.1067/kWh on the supply portion of your electric service.

If you have additional questions please call 856.505.3848.

We appreciate you taking the time to read this valuable information and look forward to helping you save on your electricity supply.

Respectfully,

Little Egg Harbor Township Committee
